

Interview Participants Information and Consent Form

Congratulations, you have been identified as someone who thinks your achievement(s) demonstrate one of our school values of Tumanako – Hope and Aspirations or Rangatiratanga – Self Determination.

As part of an assignment for Achievement Standard 91073 – *Implement basic procedures to produce a specified digital media outcome*, students are required to interview the successful candidate and create a movie that incorporates original video and photo footage that show cases your achievement(s).

The information gained during this interview will be used for this assignment only. You have the right to request the interview questions as well as to view the completed assignment if you wish. You also have the right to withdraw from the interview at any time.

Thank you for your support.
